

AHHRA

Join AHHRA and enhance your career!

The Association of Healthcare Human Resources Administrators of Greater New York (AHHRA) is non-profit organization of Human Resources practitioners in the greater New York metropolitan area, founded in 1947. It is affiliated with the national organization American Society for Healthcare Human Resources Administration (ASHHRA).

AHHRA gives its members the opportunity to share information about the goals and practices of Human Resources management in the health care industry. It also promotes professional growth through regular membership meetings, educational programs provided by field experts and social events that offer networking opportunities.

Benefits of AHHRA Membership

- **Educational Seminars (HCRI credits available) at cost or discounted pricing.**
- **Annual Conference Opportunities**
- **Social Events and the ability to network with other HR professionals**
